We also announced that, effective September 13, 2018, we issued and delivered to GS Capital Partners, LLC a 10% convertible note in the principal amount of \$110,000. The note was issued at a discount, resulting in our receipt of \$100,000 after discount and expenses. The holder of the note, at its option, may convert the unpaid principal balance of, and accrued interest on, the note into shares of common stock (i) during the first 180 days, at a price of \$.03 per share of common stock and (ii) thereafter at a 40% discount from the average of the three lowest trading price during the 25 days prior to conversion. The note matures on September 13, 2019. We may redeem the note at redemption prices ranging from 115% to 135% during the first 180 days after issuance.
